SELDOM, in the span of a single year, does a student organization by its own brilliant performance so completely capture the spirit of the school that it is hailed as the season's outstanding accomplishment. This year we are privileged to recognize such an organization. With great pride we dedicate this 1939 Massillonian to "Red"

Bird's Washington High School Band.

O B I E

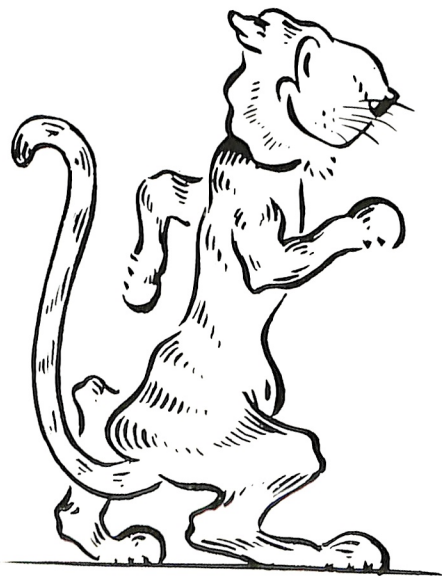

"That ain't no tiger," said a youngster at Obie's famous first appearance. "That's just a boy dressed in a tiger skin."

He was wrong. Obie isn't a tiger, nor is he a boy dressed in a tiger skin.

He is the incarnation of school spirit, the living embodiment of that elusive stuff that wins debates and football games; that puts us on top in dramatics, scholastics and music; that sends us out en masse to root for those who fight.

You can't see school spirit, nor can you put your teeth into it; but you can have a symbol for it—and Obie is that symbol.

What the eagle is to America, Obie is to Washington High. You find him everywhere. Through what more competent medium could we view the school year!

FACULTY

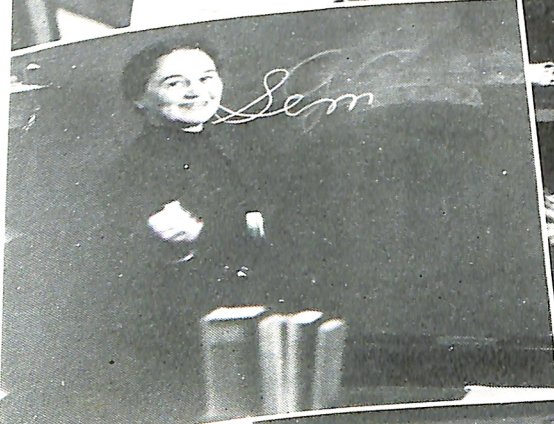

The least advertised group in a high school is its faculty. This is because teachers rarely participate directly in the spectacular events of school life. Daily they go about their work with efficiency and patience, born of preparation and experience. With least clamor we greet them, but with much reverence.

NATIONAL HONOR SOCIETY

Outstanding students of today make the leaders of tomorrow ... The National Honor Society is composed of pupils who have proved by their achievements that they are worthy of recognition ... every member must be in the upper third of his class ... must stand judgment by all the teachers with whom he comes in contact ... must be selected by a committee who chooses the members on the basis of scholarship, leadership, character and service to the school ... any student who possesses all four traits in a sufficiently high degree is very likely to have a well rounded character ... to stand out in his or her community, as a useful, intelligent citizen ... if not a public leader.

SENIORS

Just three short years ago an unusually good looking class of sophomores entered Washington High. You know the type—in for everything—into everything. They weren't very popular with upper classmen, being a little too clannish and independent but they got along. By the time they were juniors some of the highest honors of the school had been given to members of their class. Scholastically they were an honor group; athletically they were of the best; socially they were leaders. Today this same group, one of the most versatile classes in the history of the school, is preparing to graduate. A well executed past will serve as an inspiration for the future, as they capture greater laurels in college and in our business and industrial life.

SENIORS OF TOMORROW

If past records are any indication of future success, the Junior and Sophomore classes of 1939 promise to fill the vacancies left by the Seniors most capably. Their members have proved themselves indispensable assets to the student body in scholastic achievements, as well as in gridiron performances and displays of talent on the basketball court. Headlines telling of Massillon's victories in debate and speech tournaments; critics' highly complimentary reviews of dramatic productions and displays of musical ability; national awards for journalistic accomplishments; recognition in various lines of social endeavor—all these fields in which Washington High is rated "tops" we find the Juniors and Sophomores playing an essential part.

MASSILLON vs. McKEESPORT

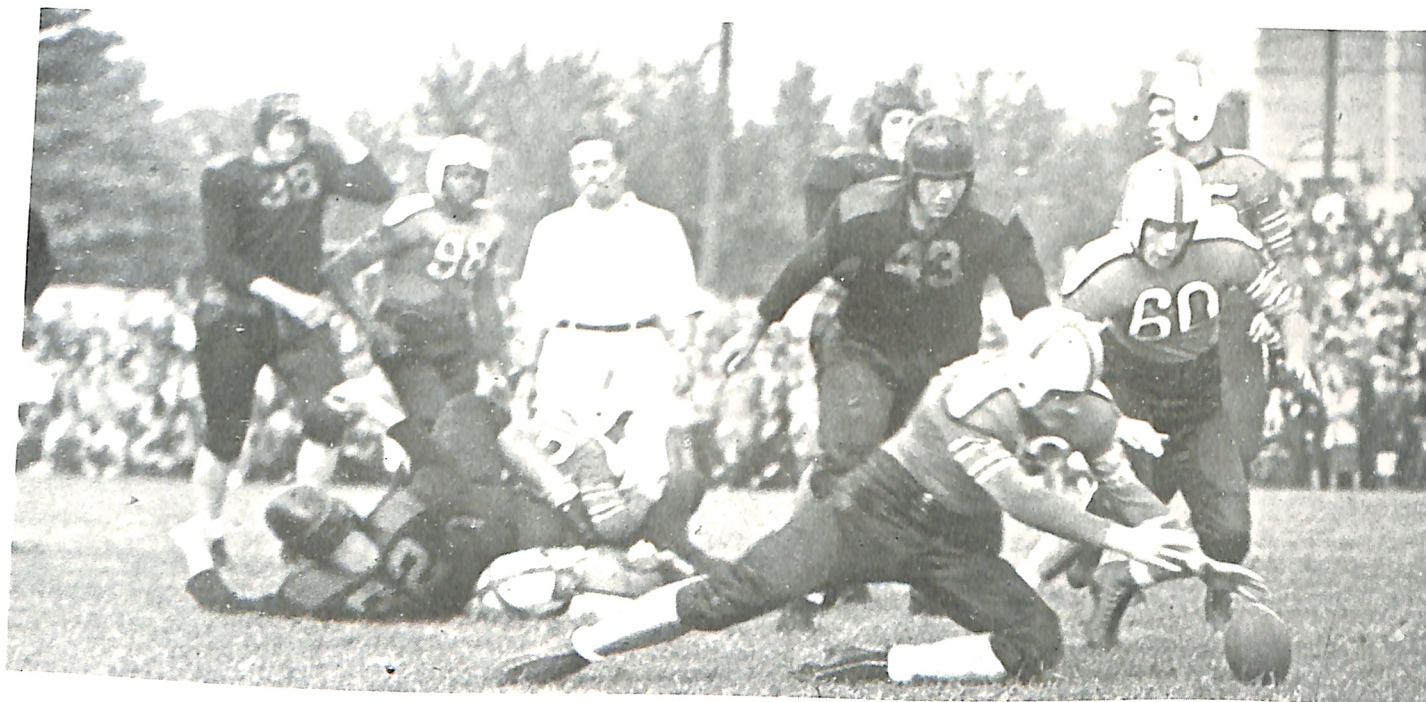

Massillon opened their 1938 season by successfully stemming the tide of a stubborn McKeesport (Pa.) aggregation. The Tigers came out on the long end of a 19-7 score before 9,000 cheering fans.

It was a see-saw affair which saw the Tiger backfield uncork a new type of offense paced by George Slusser, who tossed two touchdown passes and romped 28 yards for the other.

Massillon opened fire in the first period with Slusser scoring from the McKeesport 28 yard stripe. The second period scoring featured two beautifully executed touchdown passes, Slusser to Toles. A pass to Gillom produced the nineteenth point.

In the second half McKeesport mixed passes, end runs and line plunges into a deceptive offense. However their efforts were halted until the fourth period when a drive of 71 yards gave the visitors their lone tally. A short pass produced the touchdown and Herrera converted. That ended the efforts for the remainder of the game except for a short drive that was stopped on the Tiger 36. A Massillon drive was under full power as the game ended.

The new Washington High School "Swing Time" Band was given a great reception by the fans at the halftime intermission.

MASSILLON vs. MANSFIELD

In the second game of the season the Tigers avenged a tie of last year by trouncing Mansfield 33-7. The teams were equally balanced on the ground but Massillon's aerial attack proved to be the deciding factor.

The Tigers opened hostilities in the second period after being held scoreless in the opening quarter. A pass, Slusser to Getz, placed the ball on the Mansfield 3. Slusser carried it over and Getz converted. Mansfield apparently had stopped the Tiger's thrusts, when midway in the same period, Slusser grabbed one of Captain Nagle's passes and galloped 38 yards for the second tally. Late in the second period a pass to Gillom accounted for another score and the extra point was made by the same route.

Mansfield although trailing 20-0, came out for the third quarter with renewed vigor. Their efforts were short-lived, however, as Toles intercepted another pass and ran 55 yards for another tally and again Getz converted. Mansfield then combined their offensive efforts of both ground and air and managed to score their only touchdown on a pass from the Massillon 8. They added the extra point. The only fourth period scoring was a pass, Slusser to Gillom.

MASSILLON vs. WARREN

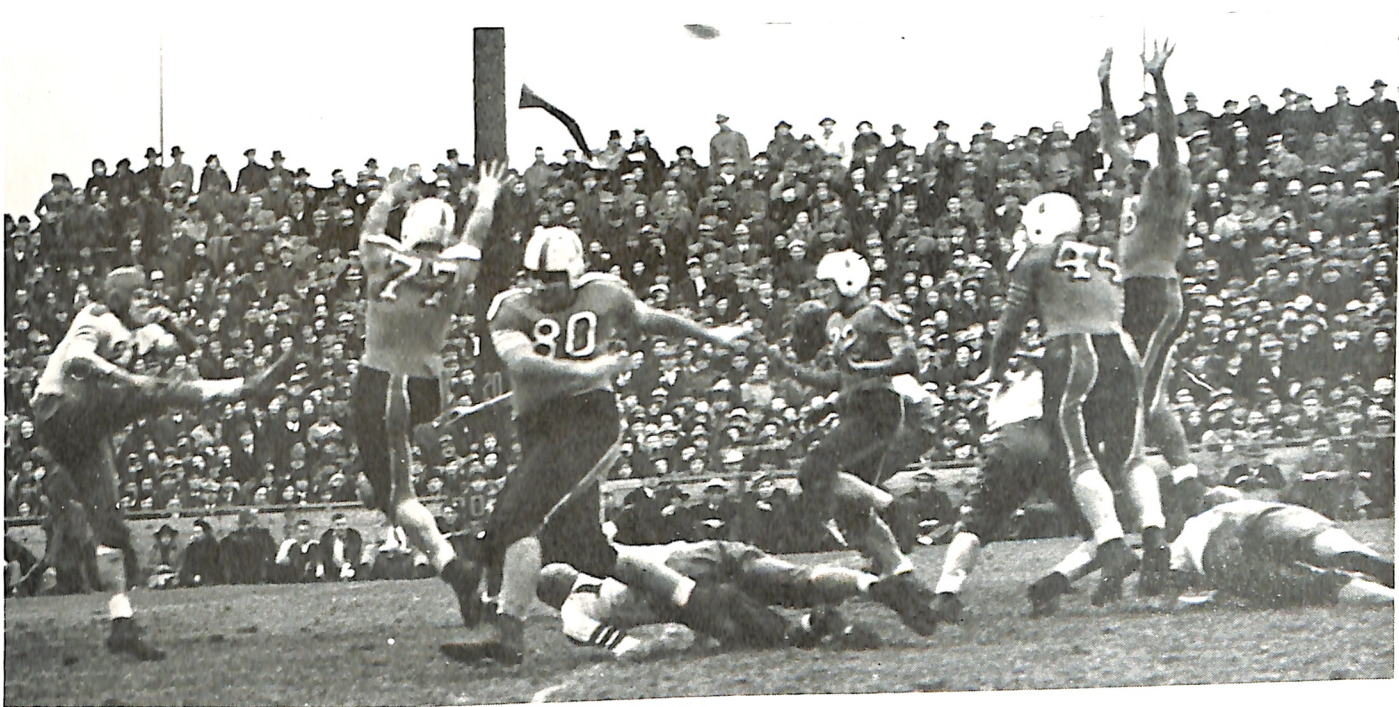

The smooth running Massillon Tiger machine met their first real test by halting the invading Warren Presidents 21-0.

The Tiger attack did not gain momentum until midway in the first period, when they rolled up six consecutive first downs climaxed by Getz going over from the one-yard stripe. He place-kicked the extra point, the first of his three successful conversions.

Shortly after the opening of the second period another Tiger drive was launched. Two beautifully executed passes for gains of 33 and 11 yards placed the ball in scoring position. Snyder lugged it over. The Tigers had stacked up a 14-0 lead before the Warren offensive, centered around the fleet-footed Johnson brothers, could get started. However, they found the Tiger line impenetrable in their own territory and the half ended with the score unchanged.

Warren came out strong in the third period but breaks against them held them scoreless. The Presidents became desperate and the result was an interception by Gillom. With the Warren defense weakening, the Tigers, aided by a penalty, marched to the 4 yard stripe where Toles skirted end for the score.

The teams played on even terms through the few remaining minutes.

MASSILLON vs. SHARON

Massillon journeyed to Sharon to meet one of the outstanding teams of western Pennsylvania. Before a throng of 10,000 people they subdued the Sharon eleven 37-20.

Early in the game the Tigers recovered a Sharon fumble on their opponents' 37. A combined running attack from this point by the backfield aces shattered the Sharon line and advanced the ball to the 2 yard stripe. Snyder scored, with Getz adding the extra point. After an exchange of punts Snyder took the ball on his own 20 and fell behind perfect interference for an 80 yard touchdown jaunt. The try for extra point failed. Sharon came back to tie the ball game by taking advantage of Tiger fumbles. Wolanski and Matthews made the touchdowns. The Tigers counter-acted with passes before the half to lead 19-13.

Early in the third period a Tiger's drive carried the pigskin to the Sharon 3 and Snyder plunged over. Sharon retaliated with Matthews racing 54 yards for a score and the extra point cut the Massillon lead to 25-20. This aroused the Tigers and Slusser tossed a pass to Gillom for another tally. The Tigers iced the game by a fourth period score by Snyder.

MASSILLON vs. ALLIANCE

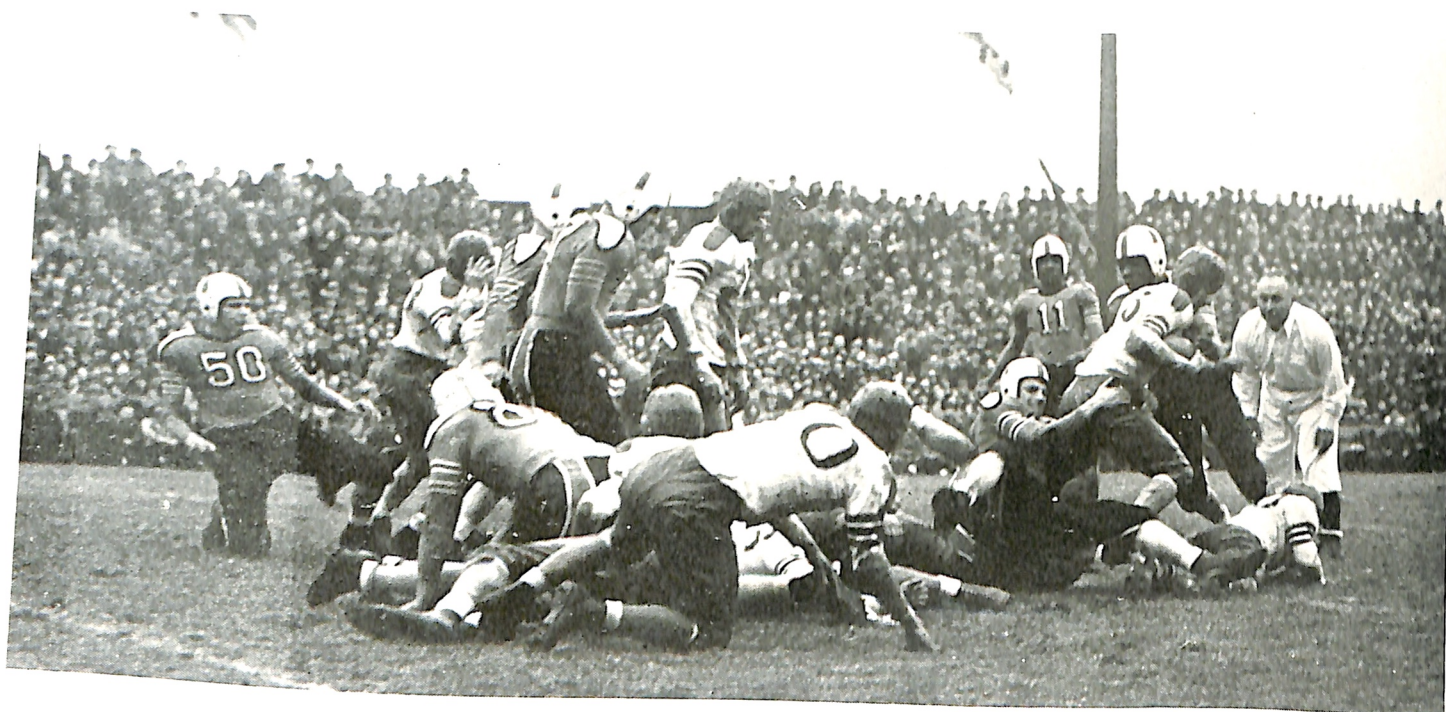

The Washington High Tigers crossed their first hurdle in the Stark County title race by stopping the high-flying Alliance Aviators 19-6.

Before the fans could get settled in their seats two thrusts, which struck with lightning precision had given Massillon a 13-0 lead.

The first came immediately after the kickoff when Snyder dashed through the line and behind perfect interference raced 70 yards to score. Getz place-kicked the extra point. An intercepted pass by Gillom set the stage for the second Tiger tally. Getz raced 77 yards for the touchdown behind the same interference which had left the fans spellbound after the first score. The Aviators strengthened their defense but the recovery of a fumble gave Massillon another scoring chance and they took advantage of it with Snyder taking it over after a series of line plunges.

Early in the second half Alliance recovered a fumble. They scored on a pass, Hume to Palozzi. Neither team could muster the scoring punch thereafter and the Tigers took a lead in the county race.

Bands of both high schools gave fine half time performances and the praise of the Massillon musicians was not confined alone to Massillon boosters.

MASSILLON vs. STEUBENVILLE

The Massillon Tigers continued their march toward their goal of capturing their fourth consecutive State Championship by routing a strong Steubenville squad 31-0. This clash was witnessed by about 13,500, the largest crowd of the current campaign thus far. The outstanding feature of the game was the stubborn Tiger defense which allowed but four first downs.

Massillon, in usual fashion, returned the kickoff to midfield where a forward pass from Slusser to Zimmerman put the ball in scoring position. Snyder lugged it over and Getz added the extra point by placement.

The Tigers tallied again on a recovered fumble with Getz scoring the touchdown. Massillon's superiority was not definitely shown by their 13-0 lead at the half but they clearly demonstrated it in the last two periods.

Massillon took a punt early in the third period and a "Statue of Liberty" play from the Stubbers 18 sent Getz over for the third touchdown. A fourth period drive enabled Slusser to plunge over from the one-yard stripe. After this score, Tiger substitutes replaced the regulars and were alert enough to grab a desperate Steubenville pass. Foster pulled one out of the air and romped ten yards for the final touchdown.

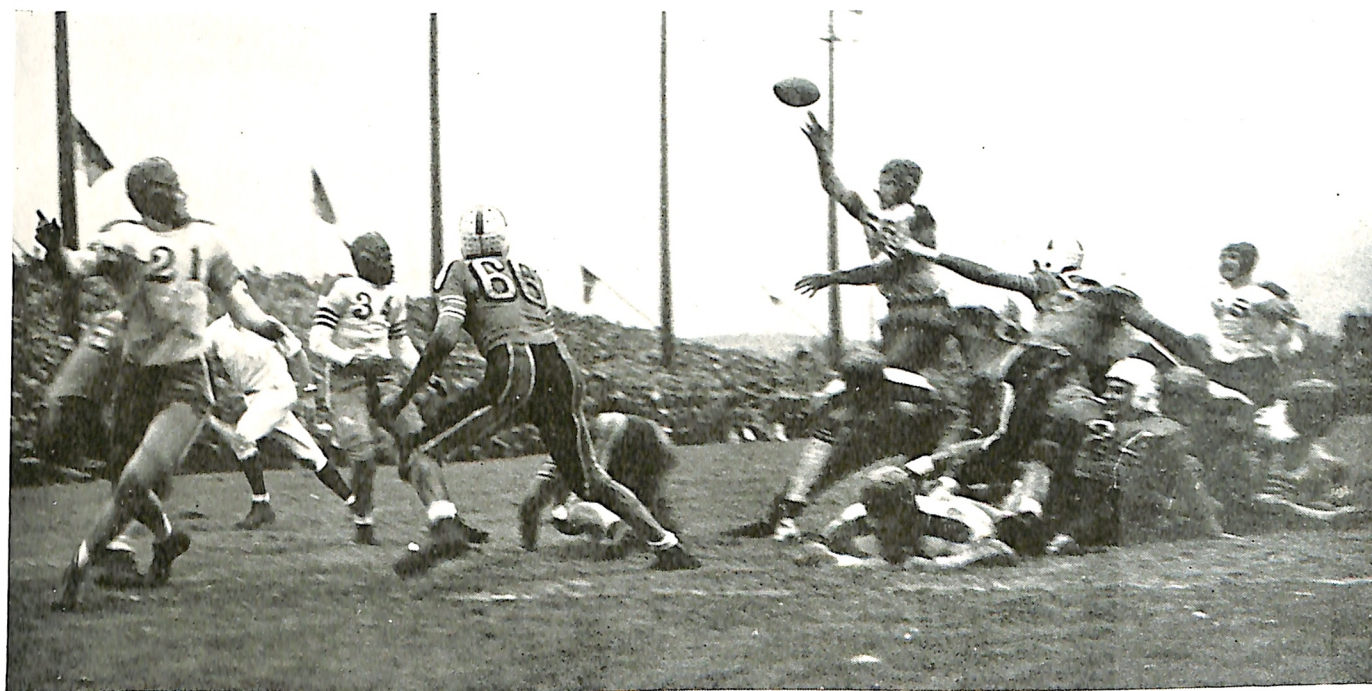

MASSILLON vs. NEW CASTLE, PENNSYLVANIA

A revenge-thirsty squad of Massillon Tigers swept into Pennsylvania, and avenged a defeat that broke their sensational winning streak last year by trouncing the Red Hurricane of New Castle by the lopsided score of 52-7. The Tigers scored two touchdowns per period.

Following the kickoff three plays produced a touchdown with Slusser passing to Toles. A 50 yard march netted another marker. This time Getz went over from the 9. Both tries for extra point failed. An interception by Slusser and line plunges by Snyder gave the Tigers a score early in the second quarter. In the same period another drive with spectacular passes enabled Slusser to score from the 5. Getz's conversion made it 25-0 at the half.

An early third period drive gave the Tigers another tally. With several tricky plays the Tigers again scored after a nice piece of broken-field running by Snyder. Getz made both conversions.

The Massillon reserves took over and permitted Roberts to race 85 yards for New Castle's lone score. Lauro added the extra point. The Tiger seconds went to work in earnest and before the final gun Clendening and Fabian had scored touchdowns and Pizzino added an extra point.

MASSILLON vs. CANTON LEHMAN

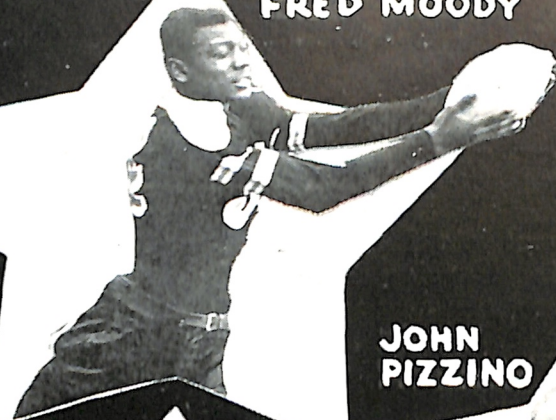

The now prominent Massillon Tigers continued their rampage by routing Canton Lehman, 52-0. A crowd of about 13,500 witnessed the game.

Early in the initial period, the first of four Lehman fumbles, which were all recovered by Massillon, enabled the Tigers to score with Snyder doing the ball-toting. The Bears were able to hold the Tigers scoreless the remainder of the period. In the second period Toles intercepted a pass and Gillom followed with a beautiful pass reception for the score. A pass to Gillom permitted Slusser to plough through for another marker from the 12. Another offensive thrust climaxed by Getz scoring from the Lehman 7, strengthened the Tiger's lead to 26 points. Fabian added another touchdown before the half.

Fabian repeated early in the third quarter by recovering a fumble and scoring the touchdown with James circling end for the extra point. A 74 yard drive by the seconds produced another tally with Pizzino scoring from the 7. James again carried the extra point across. A fourth period drive permitted Pizzino to score the final marker.

The fans were particularly amused by the Washington High Tiger, who dressed for the occasion, did the Lambeth Walk with the drum majors during the half time intermission.

MASSILLON vs. YOUNGSTOWN CHANEY

The Washington High Tigers were given a stiff workout in preparing for their battle with Canton McKinley. A strong Youngstown Chaney outfit gave the Tigers a thrilling battle, but Massillon pulled through with a 26-13 triumph.

The only successful drive by the Tigers in the first half began after Youngstown had tried a field goal from the Tiger 8. Massillon marched 76 yards to the Chaney 4 where Snyder knifed through tackle for the score. Getz place-kicked the extra point.

A drive midway in the third period, with Getz receiving the only two complete Tiger passes, placed the ball on the Chaney 3. Snyder plunged over and Getz place-kicked the extra point. After the kickoff Youngstown recovered a fumble and drove to the Tiger 8. Chockey passed to Soltas for the score, but they failed to add the extra point.

The Tigers marched the following kickoff back to midfield, and here Sinkwich intercepted a pass and raced for a touchdown. He added the extra point. The Tigers retaliated with a 66 yard drive with Snyder scoring from the one. The Chaney boys passed in desperation and Gillom intercepted. Getz scored the final marker but failed to add the extra point.

MASSILLON vs. CANTON McKINLEY

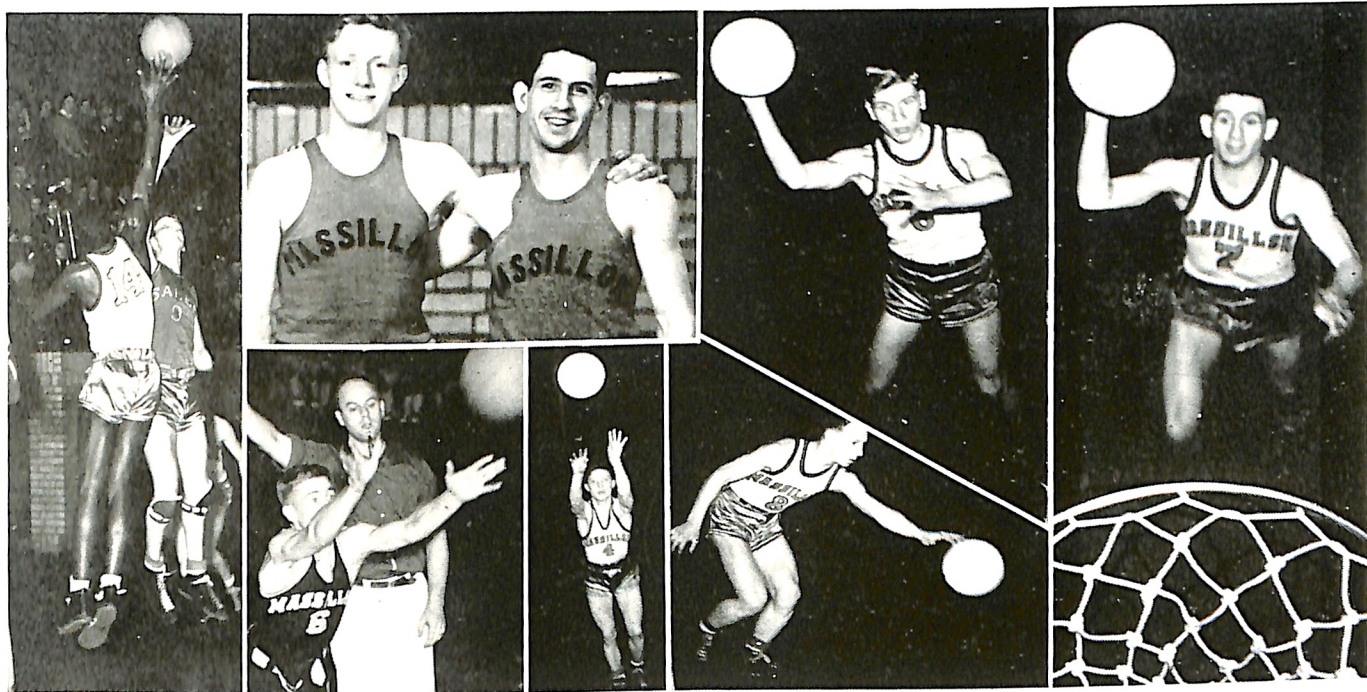

In their final game of the season the Massillon Tigers defeated their bitterest rival, Canton McKinley, by a score of 12-0. Although the Tiger machine was not in superb physical condition, its smooth and versatile running attack offset the weight advantage of the McKinley Bulldogs, and gave the Tigers their fourth consecutive mythical state title as well as the Stark County Crown.

Massillon received and after an exchange of punts the Tigers had advanced to the Canton 47. A drive from this point was stopped by a fumble. The Tiger's relentless drives gave them a score late in the first period with Snyder going over from the Bulldog 2. In the second quarter a Canton error paved the way for the second Tiger score after a long series of hard line plunges. The McKinley defense was caught unaware and Zimmerman knifed through guard from the four. Both tries for extra point failed.

The second half was strictly defensive for the Tigers and they were content to protect their advantage although they had to repel several desperate Canton drives that carried the ball inside the Tiger 10 yard stripe. Although the Bulldogs were held scoreless they managed to balance statistics by their valiant efforts to get back in the ball game.

OBIE REVIEWS THE BASKETBALL SEASON

When the time came to gauge ourselves to the chief sport of the winter season at Washington High, we found that Coach Brown had developed a team that showed great promise because it not only excelled the team of last year in respect to height but was equally fast. The team was built around the co-captains, Paul Herman and Kenny Everett, Archie Kowell of the reserves and two junior high products, Ray Getz and Horace Gillom.

For their opening game of the season the Tigers met a strong Sharon quintet. They repeated their victory of the gridiron by defeating Sharon 27-22. Paul Herman and Ray Getz took top honors in the scoring column by scoring seven and twelve points respectively.

In the second game Massillon met a Stark County opponent, Canton Lehman in the Canton auditorium, a floor which had been a jinx to Massillon teams since inter-city rivalry began. However, a great display of offensive power enabled the Tigers to take a convincing 56-21 decision.

For their final game before the holiday season Massillon clashed with Youngstown Chaney. The Tigers had another touch of scoring fever as they pierced the hoop frequently for eighteen field goals and nine fouls for a total of 45 against their opponents' 19. The two co-captains scored 31 points between them.

Although many teams schedule games during the holidays the Tigers took a vacation. The main objective of this layoff was to create greater interest among the players after the brief rest and bring them to the peak of their ability in time for the state tournament.

After returning, the Tigers nosed head-on into a defeat at the hands of the strong New Philadelphia Quakers. A crowd of 1,800 turned out to see the Quakers demonstrate a practically impenetrable defense which allowed the Tigers but five points in the last half while the Philadelphians rolled up fourteen. The final score was 24-18.

The following night the Tigers lost another tough battle 33-31. Massillon led the entire way but folded in the last period enabling the Barberton Magics to tie the score and force the game into a sudden-death overtime contest. The Tigers tried several desperate shots early in the overtime period but failed. Barberton connected for the payoff basket in the first minute of the period and took the thriller.

Massillon next met the Canton Bulldogs and the Tiger defense boxed the Canton team up so well that they were held to 17 points while the Tigers marked up 26. This defeat of McKinley served as a satisfaction to the Tiger quintet for the two games they had dropped the week before.

After crushing the Bulldogs the Bengals clashed with another Stark County rival. Massillon defeated the Alliance Aviators 30-25 and took undisputed possession of first place in the county race. A close defense proved to be the key to victory as the Tiger's offensive maneuvers failed to arouse anxiety.

The Bengal's sixth triumph was at the expense of Newark, last year's state champs, by a score of 24-20. It marked the second consecutive year in which the

Tigers have defeated Newark. Massillon chalked up ten of their 24 points in the first period and Newark found it difficult to come in striking range of this margin.

The Tigers continued their surge over county opposition by again defeating Canton Lehman 44-20. The game was uneventful and the scoring honors were well divided. A clean-sweep of athletic events for the county now gleamed in the eyes of Tiger supporters.

Following the Lehman victory the Tigers experienced a night at which the ball seemed larger than the hoop. In a hair-raising finish the Bengals captured a 25-24 win from Akron St. Vincent. The Tigers had not expected such a strong opponent as they met and consequently had to give all they had or taste defeat.

In the next game the Tigers were gunning for revenge but failed in their effort as they lost their second overtime game of the season. The Massillon quintet was forced to rely on their defense as they made but a small percentage of their shots from the field. It was not until the fourth quarter that Salem succeeded in knotting the count and taking the game in the extra period 27-24.

Anyone who witnessed the Massillon-East Liverpool clash at Liverpool would undoubtedly agree that it was the highest scoring match of the entire season as well as being a thriller all the way. The lead continually changed hands and it was not until the final ten seconds that a timely goal by Everett iced the game. The 47-46 score readily indicates that both teams were at their best offensive strides.

Serious business confronted the Tigers next but they again defeated Canton McKinley 36-31, to practically cinch the county championship. It was an excited crowd that saw Massillon for the first time in the long rivalry between the two schools take both basketball games as well as defeating the Bulldogs in football.

After the confidence they gained from their crushing of Canton, the Tigers avenged the defeat that eliminated them from the tournament in the previous season by trouncing Akron East 31-16. It was the roughest game of the whole schedule as sixteen personal fouls were called. It was intended primarily to accustom the Bengals to the Goodyear tournament floor.

In their final game of county competition the Tigers saw their hopes shattered of an undefeated county record by dropping a 35-33 decision to Alliance. It was the first athletic event in which Alliance had defeated the Bengals since 1935. The game was close all the way with the height advantage of the Aviators matching the speed of the Tigers.

Once more Kenny Everett ignited the fuse of victory by scoring his only points in an overtime duel to defeat Mansfield 24-23. Two deliberate fouls by Massillon in desperate attempts to get the ball brought them to within the wink of an eye-lash of losing the game.

In the final game of the regular season the Tigers suffered their fifth defeat at the hands of the Warren Presidents. A one-handed shot in the last minute gave the decision to Warren 22-20. At no time in the game was either team able to gain more than a three point advantage.

With the schedule completed with but five defeats out of 17 games the Tigers embarked on their quest of the state title. Although they fell short they can certainly be proud of their efforts.

SPORTS SEASON SPELLS SUCCESS FOR OBIE

With the accounts of another very successful season of sports at Washington High School now glittering in the pages of history, we wish to bring to those who made it possible a brief description of a few interesting facts which stand out as worth remembering.

For their initial gridiron duel of the 1938 campaign, the Tigers encountered a highly touted McKeesport (Pa.) eleven and defeated them 19-7. The significance of this game was the fact that it was the only game McKeesport lost in their entire season. They were acclaimed the Pennsylvania champions and participated in a post-season game in Florida.

Undoubtedly the most outstanding attraction of the entire season was the annual Canton-Massillon game, which aroused state-wide interest. Both teams were undefeated and the gridiron championships of Ohio and Stark County hung in the balance. An estimated crowd of 20,000 saw Massillon, at the peak of its power, take a 12-0 verdict.

This overflow turnout for the Canton-Massillon classic added to an already great attendance record. Massillon, with a total attendance for the football season of 120,000, was surpassed in this respect by only Ohio State University. This remarkable attendance record brought in a total gate receipt of \$45,000.

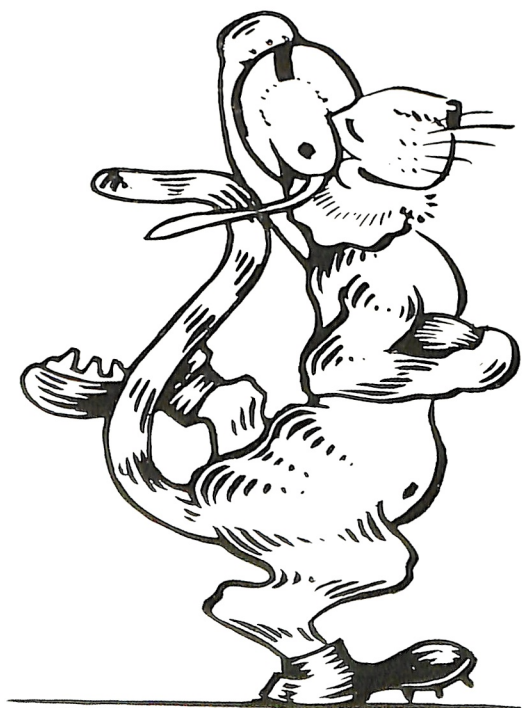

Of the ten opponents who faced the Tigers last season, six of them met Massillon while they still displayed unblemished records. The Massillon power crushed whatever aspirations they might have had of removing the State championship crown from the head of the Massillon Tiger.

This remarkable record of a victorious clean-sweep of ten strong opponents won for Massillon the recognition of State Champs. The rating was based on offensive records in which the Tigers were the leaders.

As a fitting climax to the gridiron campaign, the annual football banquet was held. A crowd of 800 turned out for the colorful occasion to praise the football warriors. Coach Lou Little of Columbia University was the guest speaker. After the banquet another reception, The Football Frolic, served as a home-coming for Massillon's former athletes.

Basketball became the chief topic of conversation as Massillon made its bid in the state tournament. For an opener Massillon met Cuyahoga Falls. A spirited second half rally won for Massillon 33-24.

The next obstacle in the Tiger's path was the Akron West Cowboys. A fast and effective passing network sparked by Paul Herman gave the Tigers a 31-22 victory.

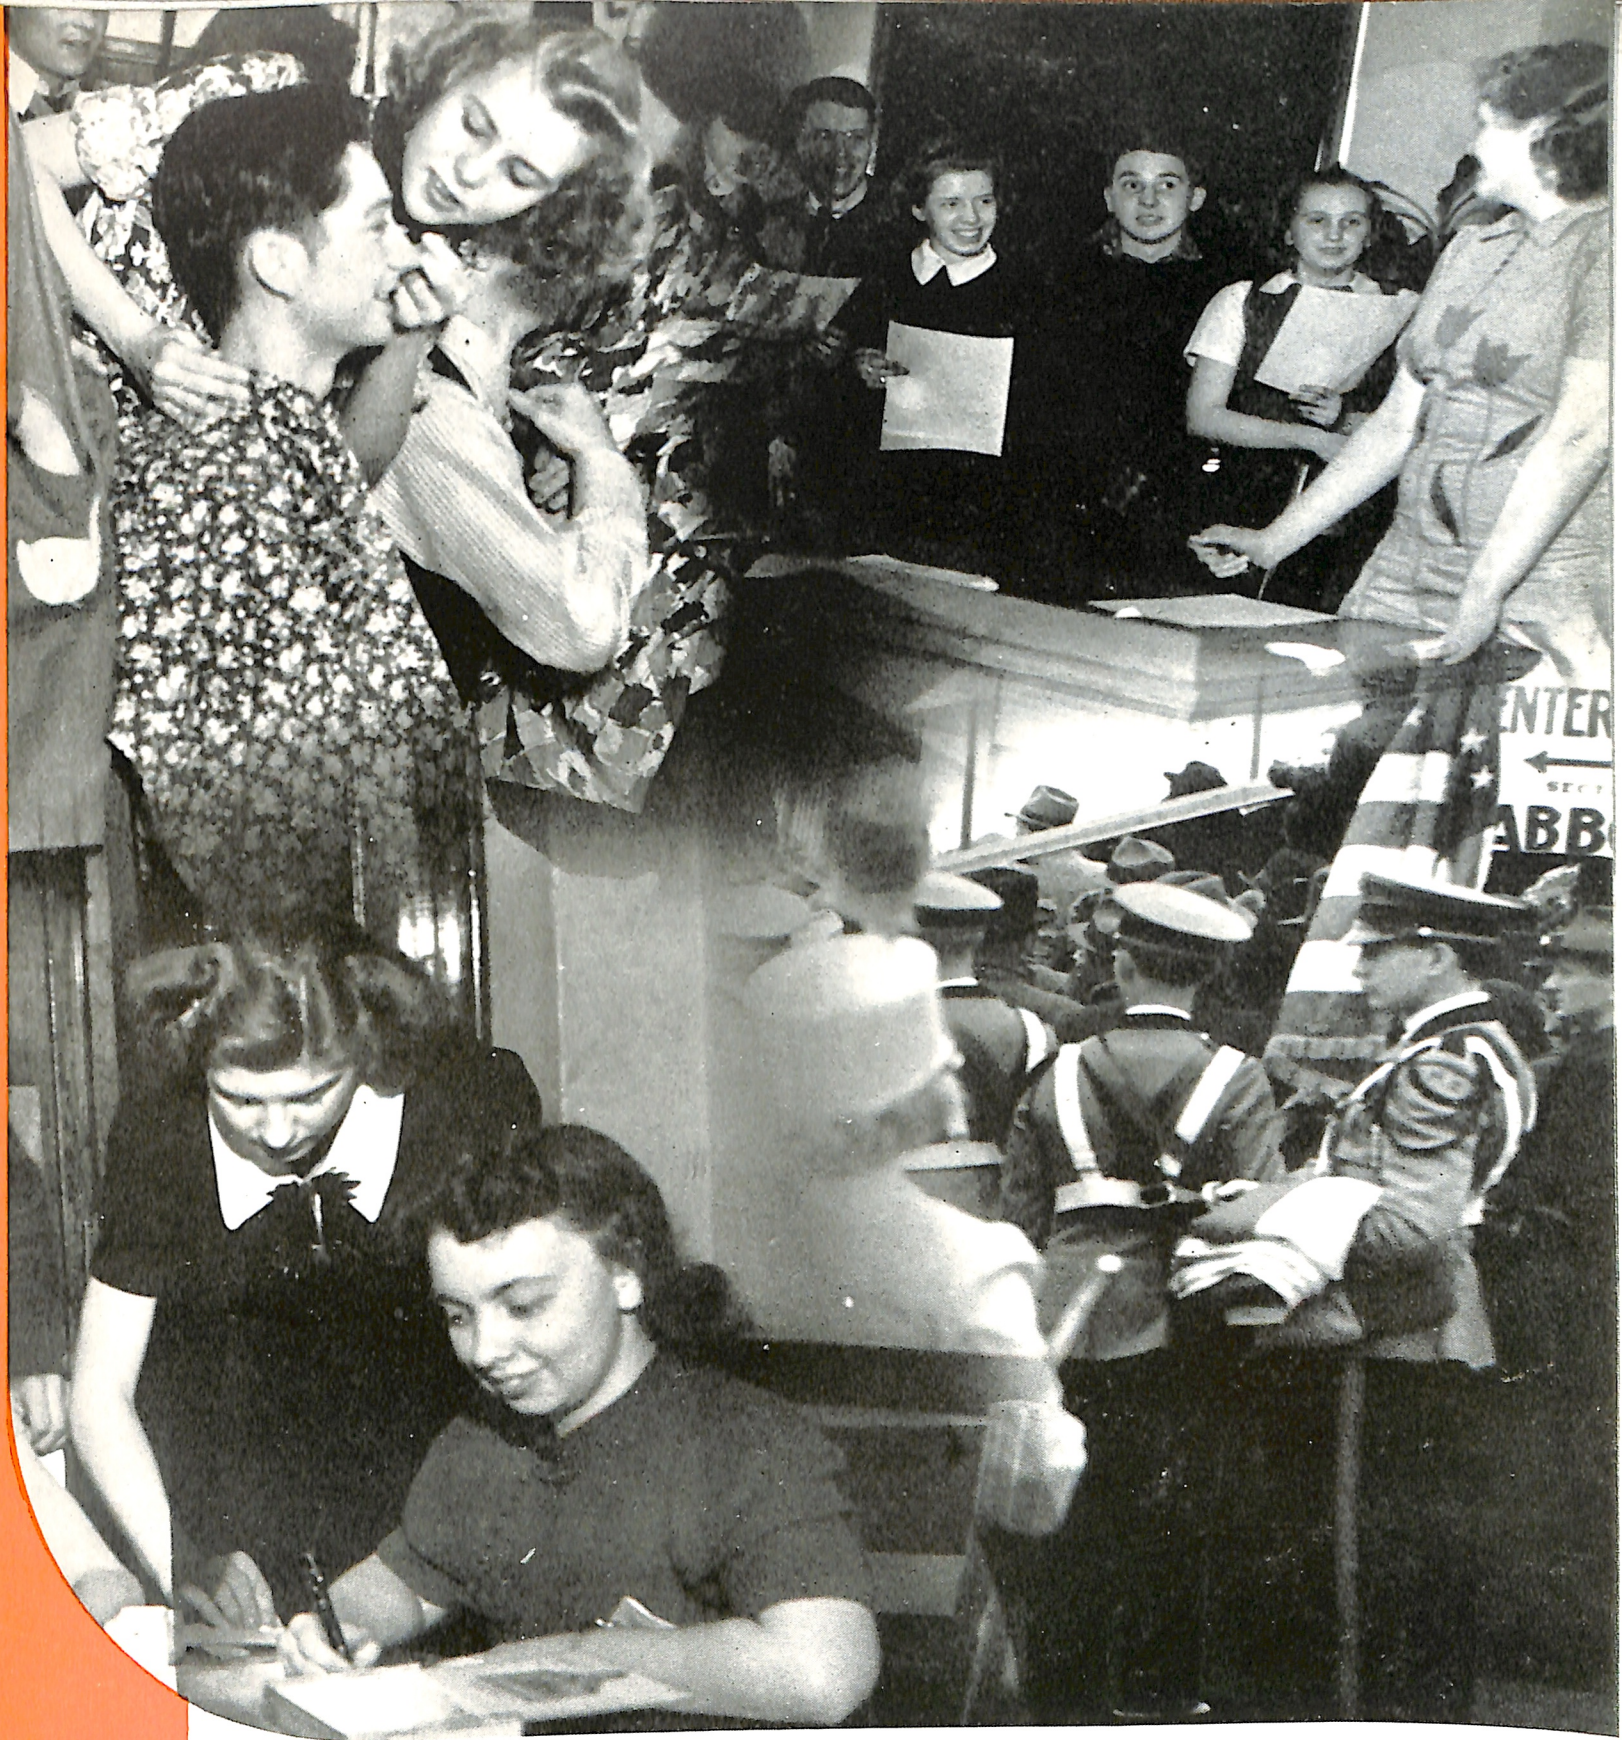

Having survived the early eliminations, the Tigers next met Fairport Harbor. The Tiger's speed overcame a height advantage and left their opponents bewildered. They set the pace from the start with Bob Archbold proving a constant threat as the Tigers rolled up a 36-20 decision.

The final game between the Tigers and Columbus was to defeat a county rival, Canton Township. The winner of this clash could not be decided until the second half when the Massillon consistency began to show. The final score was 37-24.

In the first game of the Columbus tournament Massillon met a strong Findlay quintet. A zone defense held the Tigers helpless until they began to find their range and pierced the net for a 33-27 triumph.

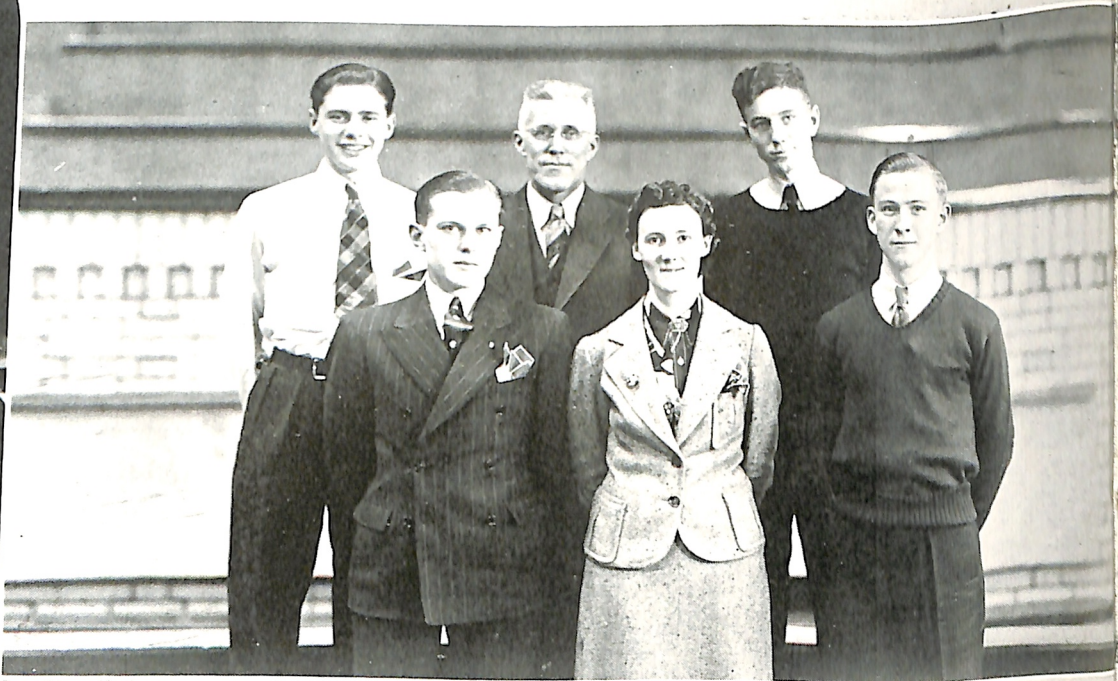

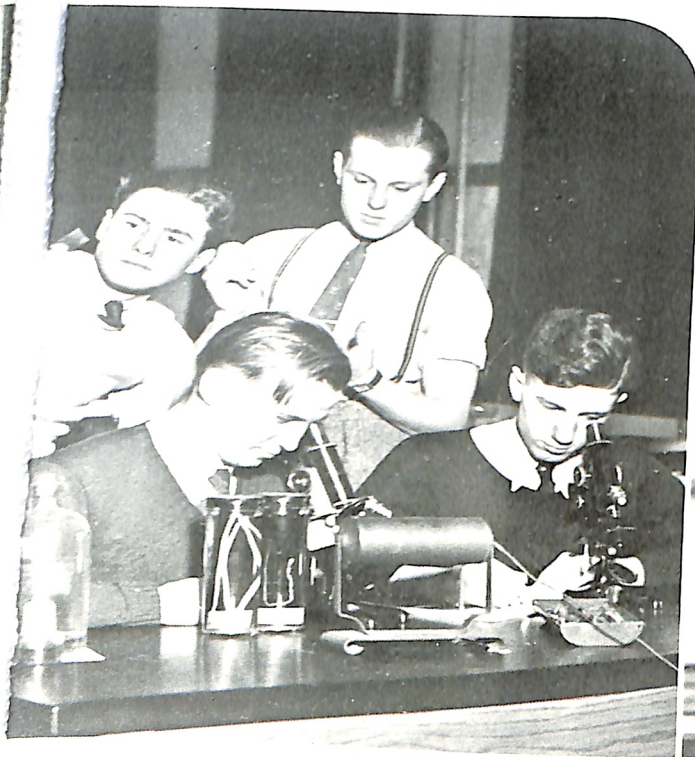

Massillon advanced to the quarter-finals of their bracket to encounter Bellefontaine. The Tigers made a gallant attempt to survive but their opponents' height advantage was too great to overcome. They were at their best and the dropping of a 37-34 decision was by no means a disgrace.

F. L. ... a nation-wide organization confined to 500 clubs ... 1939 team won the majority of the tournaments in which they participated ... have ten members eligible for National Tournament at Beverly Hills, California ... aside from their remarkable record the students have developed poise which will be of permanent value.

Council does not push one major project, but boosts all school organizations ... chapel programs, school elections, care of refreshment stand during football season and many other special duties are the result of its work ... picture committee looks after the proper hanging of pictures on walls of classrooms and corridors ... most outstanding project is the Patrons' Reception ... an occasion when parents and teachers get together ... Council this year installed closed bulletin boards in corridors ... and so it goes ... always ready, willing, and able.

STUDENT SUN

Row 1: Kelley, Schorner, Hopp, Custer, Harmon, Kittinger, Shannon.
Row 2: Appleby, Steele, Migge, Fogle, Carter, Foltz, Carter, Harris, Goss.

 Row 4: Harriman, Jones, Harter, M. Evans, Ringley, D. Fetrow, Frieg, W. Evans, Skeeles.

WASHINGTON HIGH

Washington High A-Capella Choir ... under the direction of Miss Sheen, its founder, enjoyed a most successful season ... early in the fall, try-outs were held ... seventy-five were selected as members of the 1938-39 choir ... selections are based on fine musicianship, true ear, quality and range of tone, and a fine interest in the interpretation of music ... each year the choir is becoming more accomplished on the interpretation of different fields of choral music ...

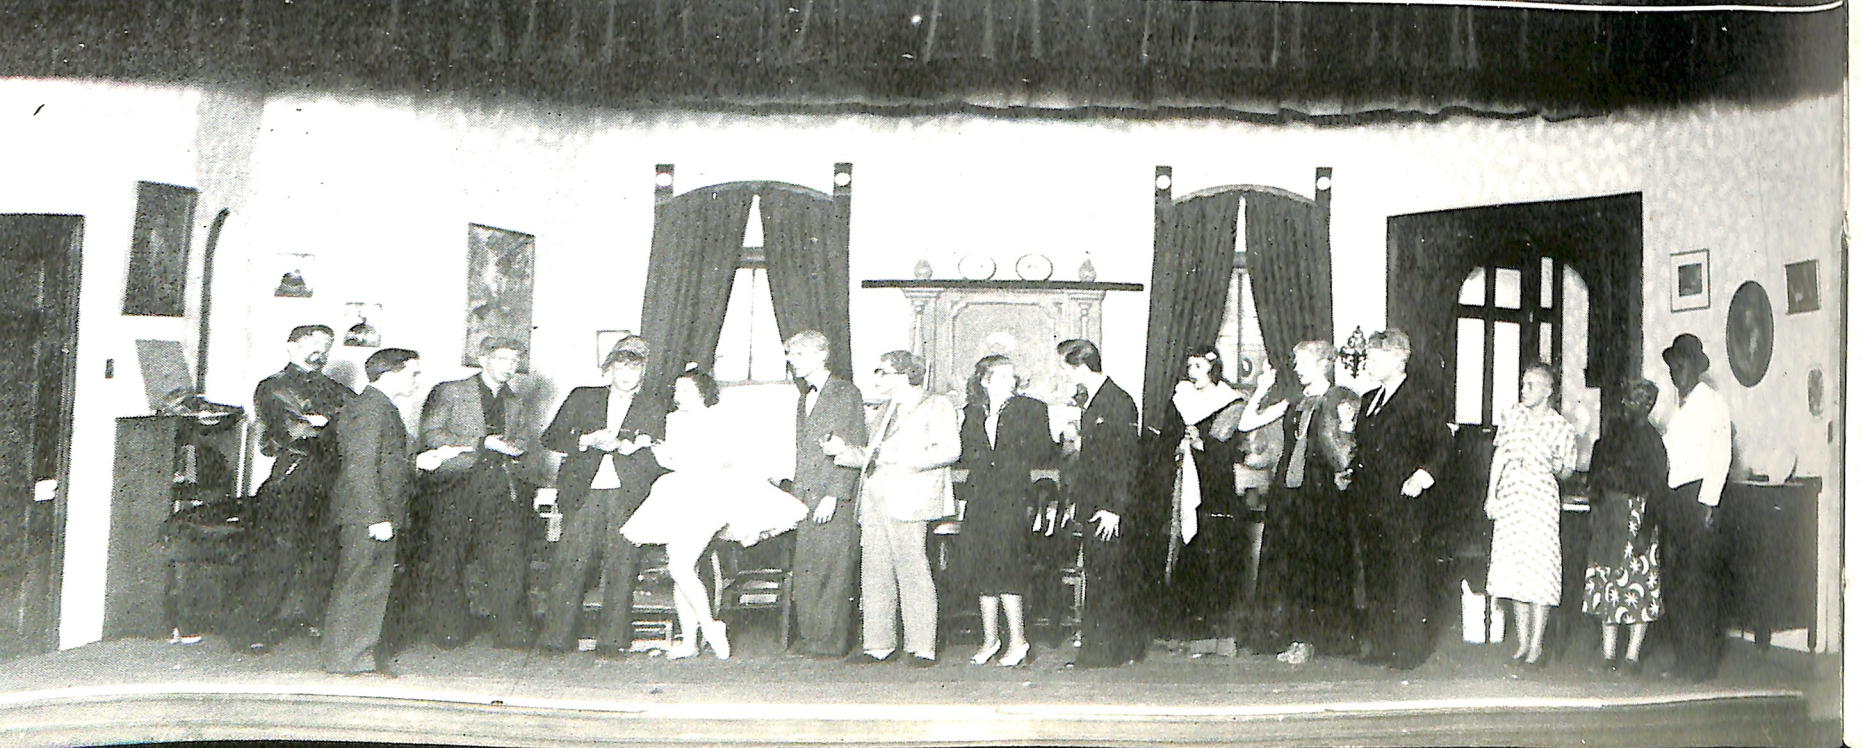

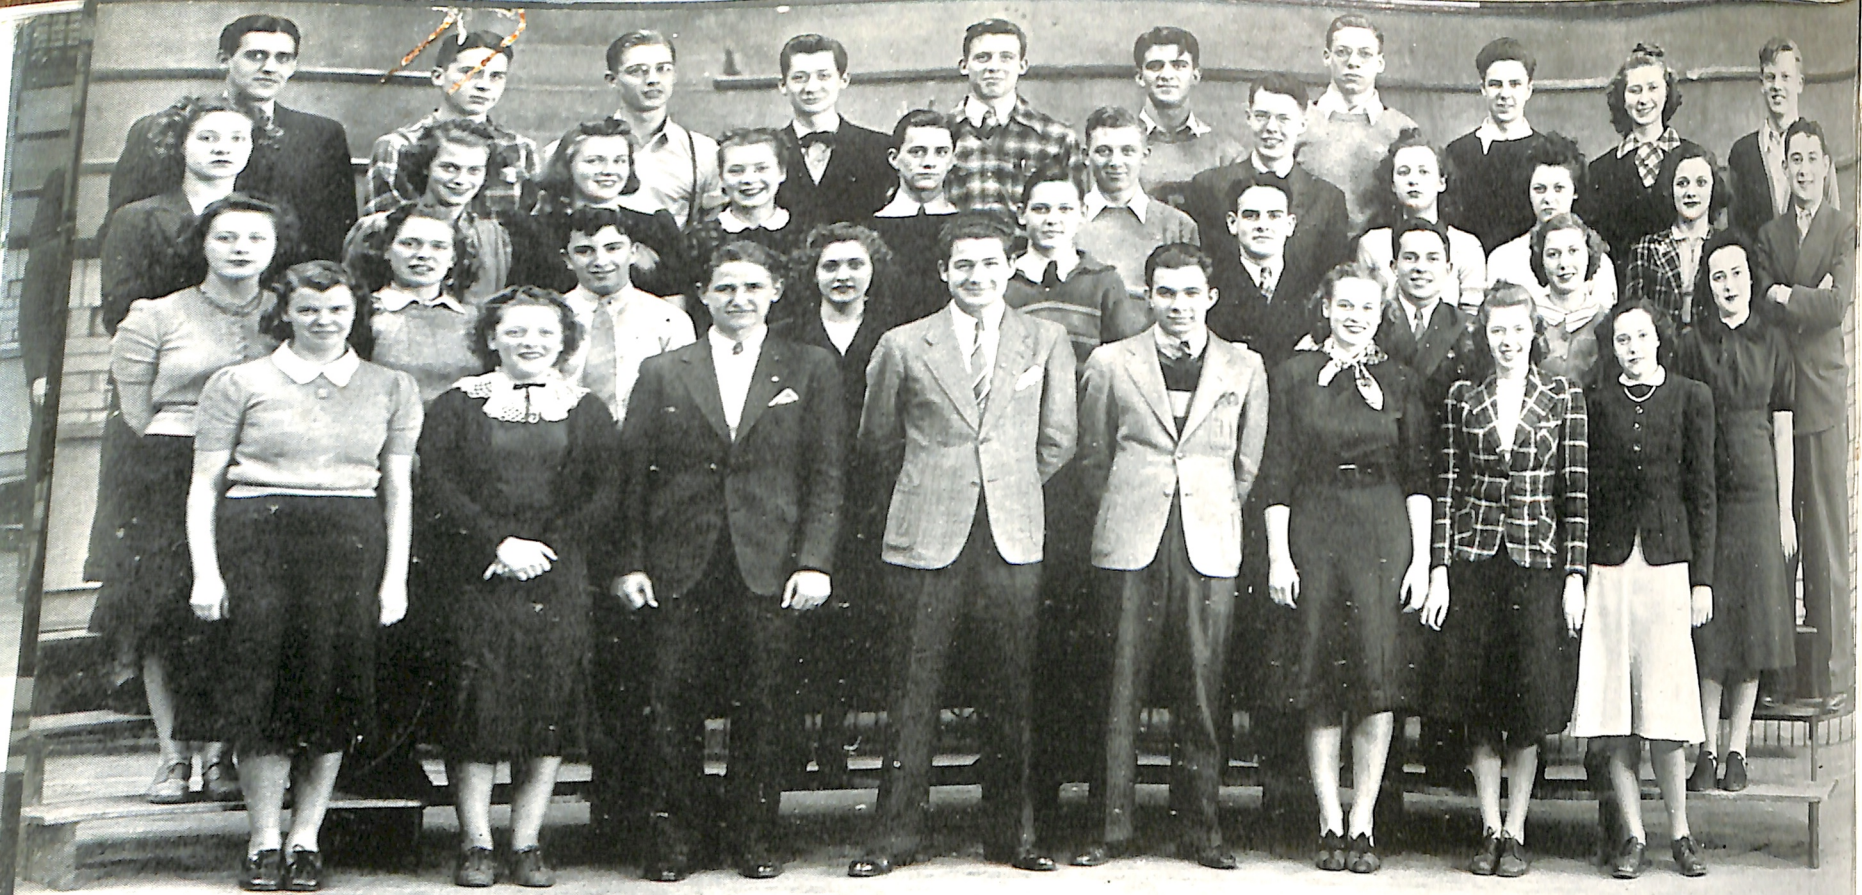

Row 1: W. Chastain, Gerber, M. Chastain, Hostettler, Summers, Lough, Swier, Bates, Lawrence.
 Row 2: Heather, Herring, Hock, Glessmer, Swanson, K. Evans, Reed, Blocker, Legge.
 Row 3: Henry, Howells, Morton, C. Traynor, Jessup, Moss, Mathis, Aston.
 Row 4: Collings, Clementz, Longworth, Pinis, Walters, Scharver, Brooks, Stoner.

MISS SHEEN

SCHOOL CHOIR

Since the choir has been started it has made broadcasts over WTAM in Cleveland ... sung at the Kiwanis Convention in Indianapolis ... last year attended the Music Festival in St. Louis, Missouri, of the Music Educators' National Conference ... that opportunity being offered as a result of Superior Ranking in the State Contest ... before each performance in public long periods of preparation are spent ... the outstanding performance of the choir this year was the presentation of Handel's "Messiah," the first in the history of the school.

DRAMATIC CLUB

Row 1: Crowe, Cheney, Marthey, Fenstermaker, France, Holton, Reed, Croxton.

Row 2: Snavely, Lough, Weinstein, Neiman, Milligan, Smailes, Wilhelm, Johnson, Bloomberg.

Row 3: Gankoski, Secrist, Carey, Charlton, Jorden, Endres, Snider, Legg, Weiford, Griffiths, Sheers.

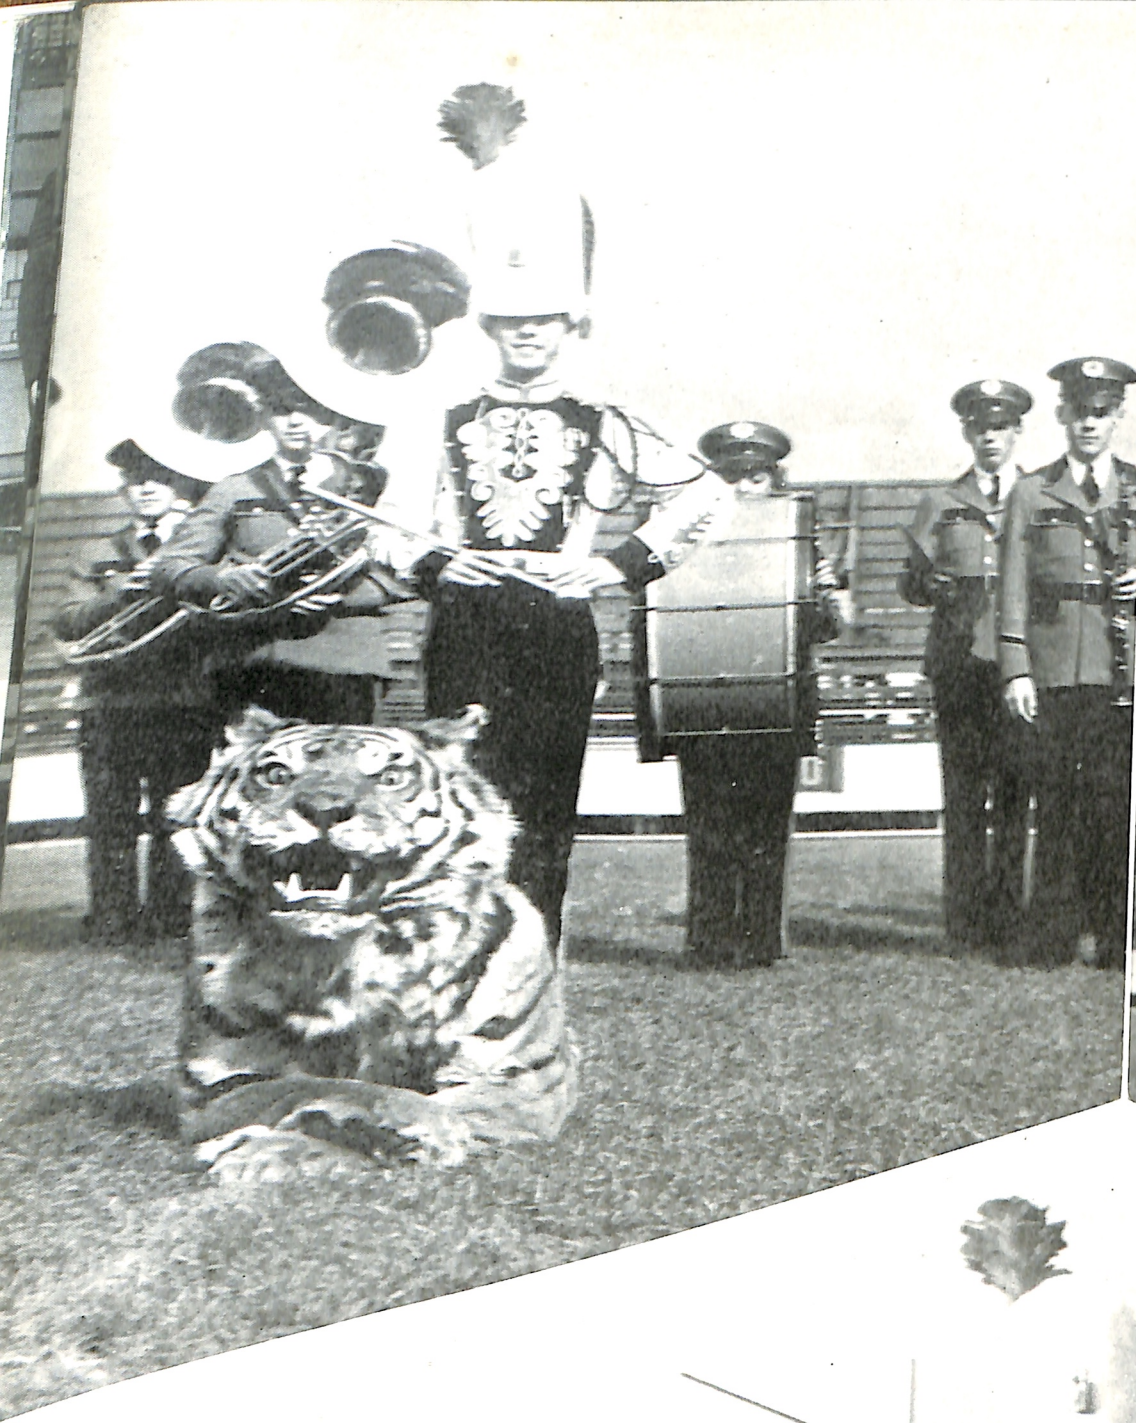

Row 4: Wickersham (advisor), Oberlin, Little, Phendler, Shafer, Graybill, Orwick, Armitage, Smith, Johnson.

"THE ENEMY"

Dramatic Club ... better known as the Struts and Frets ... fortunate in having Mr. Wickersham who inspires, directs and lends all his enthusiasm and effort to turning out presentations ... with such a growing reputation for fine productions the Struts and Frets have abandoned the usual run of high school attempts at drama ... have offered a chance for ambitious young actors and actresses to try their hand at Broadway and movie hits ... this year the club presented three recent Broadway successes, "The Enemy," "You Can't Take It With You," and "Our Town" ... comedy and drama are both within the talents of the thirty-five members ... the polished performance you watch beyond the footlights is the product of numberless rehearsals and conscientious effort ... in this way it gives its members an insight into the hopes, thrills, and strenuous work that has been the experience of every great actor.

"YOU CAN'T TAKE
IT WITH YOU"

National Thespians: Jorden, Oberlin, Croxton, Reed, Smith, Crowe, Snavely, Lough, Shafer, Sheers, Holton, Marthey, Neiman, France, Carey, Gankoski, Bloomberg, Cheney, Pfendler, Fenstermaker, Johnson.

Your Career . . .

The Stark County Society of the Osteopathic School of Medicine announces that Ohio is much in need of more osteopathic physicians, surgeons and specialists to meet the increasing demand for their services. Here are unequalled opportunities in a newer field for those who aspire to a life of high-grade service.

Capable and ambitious young men and women who are interested in the only unfilled grade-A profession, and who are willing to qualify with two years of pre-medical college and a four year professional course, may receive information, guidance pamphlets and "Osteopathy as a Career" from any local osteopathic physician, or by addressing:

Your high school course has given you a wonderful fund of knowledge.

But don't stop at that. Add practical training now in some field which will prepare you for a worthwhile position.

A business training course places you in a preferred class in the eyes of the employer seeking efficient help. Act now while your mental processes are most alert.

VETERANS OF FOREIGN WARS OF THE UNITED STATES

An association of men who have served in America's Foreign Wars on land and sea, from the Civil War, through the Spanish War, Cuba, the Philippines, Porto Rico, the Relief of Pekin in the Boxer Rebellion in China, the World War and wherever needed.

This "Gold Stripe" organization, of Overseas men constituted the front lines of our Nation's Defense.

We Army and Navy veterans, through bitter experience, are opposed to warfare on principle, but have always been ready to serve, and we shall be, under the United States Flag whenever the need arises.

But we would like to save the youth of America from the experiences we have needlessly undergone. And it is our hope that we may be able to help to do so.
